

# QBioS :: Student Login instructions

1

You can scroll to the bottom of the home page can click the GT Login:

2

OR you can access the login page at: <http://qbios.gatech.edu/user>, then to click the GT CAS LOGIN button. Use your GT credentials to login.

Log in

Reset your password

## GT CAS Login

\* Username

Enter your Quantitative Biosciences username.

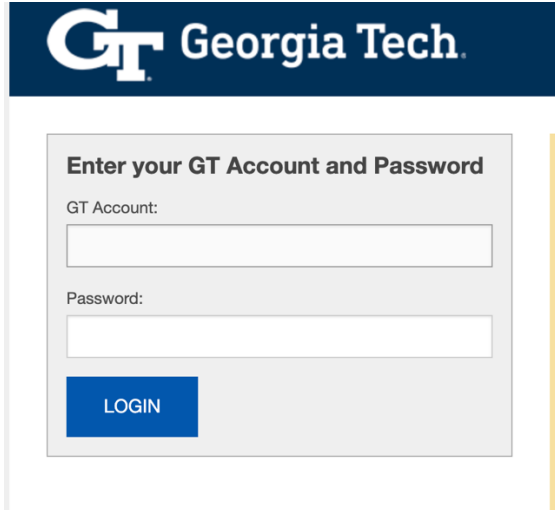

\* Password

Enter the password that accompanies your username.

Log in

3

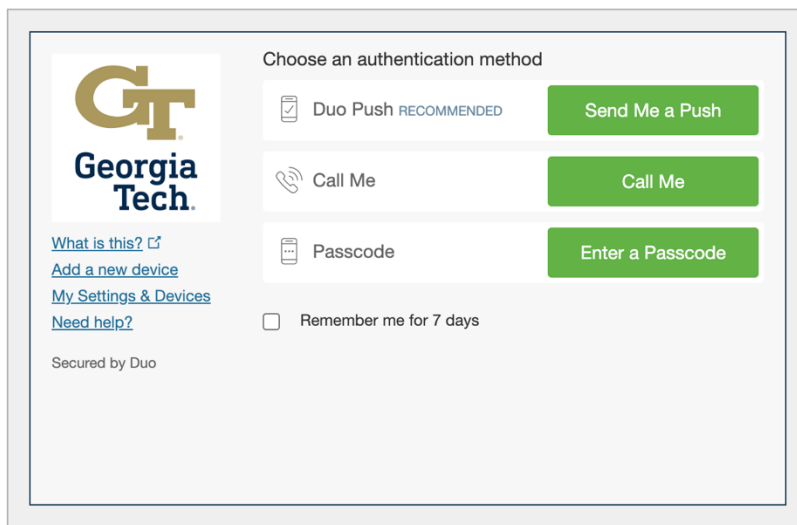

Then you will be asked to enter your GT credentials  
(if you are not currently logged into a GT login session):

The screenshot shows the Georgia Tech login interface. At the top is the Georgia Tech logo. Below it is a form titled "Enter your GT Account and Password". The form contains two input fields: "GT Account:" and "Password:". Below the password field is a blue "LOGIN" button. A vertical yellow bar is visible to the right of the form.

4

You might need to run through Duo Mobile.

The screenshot shows the Duo authentication page. On the left is the Georgia Tech logo. Below the logo are links for "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". Below these links is the text "Secured by Duo". On the right, under the heading "Choose an authentication method", there are three options: "Duo Push RECOMMENDED" with a "Send Me a Push" button, "Call Me" with a "Call Me" button, and "Passcode" with an "Enter a Passcode" button. At the bottom, there is a checkbox for "Remember me for 7 days".

Once logged in you should be automatically directed to your USER Profile page. Next Click on Edit or Student Tracker to update your information and Student Tracking.
