

**Quantitative Biosciences Interdisciplinary Graduate Program**  
Request for Approval of Thesis/Dissertation Committee

Name: \_\_\_\_\_

GTID: \_\_\_\_\_

Email Address: \_\_\_\_\_

Date: \_\_\_\_\_

Check One:     Initial Membership Form     Revised Membership Form

**Thesis committee members**

The Thesis Proposal Committee (TPC) consists of your primary research supervisor and 3 other faculty members; of these 3, at least one must be from the QBioS program faculty.

The Thesis Reading Committee (TRC) consists of five faculty members, composed of your primary research advisor and four other members. Of these four members, at least two must be members of the academic faculty of QBioS program and at least one must be external to the QBioS program.

---

I request the following faculty to serve as members of the Thesis/Dissertation Committee for the above named student. Please let me know at your earliest convenience if this request has been approved.
