You can scroll to the bottom of the home page can click the GT Login:

2

OR you can access the login page at: <http://qbios.gatech.edu/user>, then to click the GT CAS LOGIN button. Use your GT credentials to login.

GT CAS Login

* Username

Enter your Quantitative Biosciences username.

* Password

Enter the password that accompanies your username.

3

Then you will be asked to enter your GT credentials
(if you are not currently logged into a GT login session):

The screenshot shows the Georgia Tech login interface. At the top is the Georgia Tech logo. Below it is a form titled "Enter your GT Account and Password". The form contains two input fields: "GT Account:" and "Password:". Below the password field is a blue "LOGIN" button. A vertical yellow bar is visible to the right of the form.

4

You might need to run through Duo Mobile.

The screenshot shows the Duo authentication page. On the left is the Georgia Tech logo. The main heading is "Choose an authentication method". There are three options, each with a green button: "Duo Push RECOMMENDED" with a "Send Me a Push" button, "Call Me" with a "Call Me" button, and "Passcode" with an "Enter a Passcode" button. Below these options is a checkbox labeled "Remember me for 7 days". On the left side of the page, there are links: "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". At the bottom left, it says "Secured by Duo".

Once logged in you should be automatically directed to your USER Profile page. Next Click on Edit or Student Tracker to update your information and Student Tracking.
